You are exploring launching SIMPLEX-ITY using your own HKD \$700,000. If it fails, you can still launch SIMPLEX-ITY using NEST VC's money.	你正考慮用你自己的港幣70萬來啟動SIMPLEX-ITY。如果失敗，你仍然可以用NEST VC的錢來啟動SIMPLEX-ITY。
This is a validation-first approach. The goal of the 3-month trial is NOT to raise money, but to validate the business model.	這是一個驗證優先的方法。3個月試行的目標不是籌錢，而是驗證商業模式。
That proof is what you bring to NEST VC, Success HK, or any investors.	那個證明是你帶到NEST VC、Success HK或任何投資者的。
